

## Concepts Checklist

### A service piece from the General Service Office

Some of these questions were originally developed by an A.A. group and further developed by the trustees' Literature Committee to be distributed by the General Service Office. While this checklist is intended as a starting point for discussion by groups, districts or areas, individual A.A. members may find it useful along with our co-founder Bill W.'s writings, a service sponsor if you have one and reflection on your own service experience. Additional information about the Concepts can be found in *The A.A. Service Manual/Twelve Concepts for World Service* and "The Twelve Concepts Illustrated" pamphlet. (The Concepts stated here are in the short form.)

#### **Concept I: Final responsibility and ultimate authority for A.A. world services should always reside in the collective conscience of our whole Fellowship.**

- Does my group have a general service representative (G.S.R.)? Do we feel that our home group is a part of A.A. as a whole and do our group's decisions and actions reflect that?
- Do we hold regular group conscience meetings encouraging everyone to participate? Do we pass that conscience on to the district, area or the local intergroup meetings?
- Is the "collective conscience" of Alcoholics Anonymous at work in my home group? In my area?
- Where do we fit in the upside-down triangle of A.A.?
- Are we willing to do what it takes to insure that our democracy of world service will work under all conditions?

#### **Concept II: The General Service Conference of A.A. has become, for nearly every practical purpose, the active voice and the effective conscience of our whole Society in its world affairs.**

- Do we have an understanding of the history of the General Service Conference (the "Conference")?
- What is a Conference Advisory Action? Does our home group's G.S.R., D.C.M., area delegate report back to the group on the highlights of the Conference and Conference Advisory Actions?
- Is our group meeting its wider Seventh Tradition responsibilities?

#### **Concept III: To insure effective leadership, we should endow each element of A.A. -- the Conference, the General Service Board and its service corporations, staffs, committees, and executives -- with a traditional "Right of Decision".**

- Do we understand what is meant by the "Right of Decision"? Do we grant it at all levels of service or do we "instruct"?
- Do we trust our trusted servants – G.S.R., D.C.M., area delegate, the Conference itself?

#### **Concept IV: At all responsible levels, we ought to maintain a traditional "Right of Participation," allowing a voting representation in reasonable proportion to the responsibility that each must discharge.**

- Do we understand the spiritual principles underlying the "Right of Participation"?
- What does "in reasonable proportion" mean? Do we understand when it is appropriate for A.A. paid staff to have a vote at the General Service Conference or in our local service structure?
- Do we expect that, because we are A.A. members, we should be allowed to vote at any group, even if we are not active members of that group?

#### **Concept V: Throughout our structure, a traditional "Right of Appeal" ought to prevail, so that minority opinion will be heard and personal grievances receive careful consideration.**

- Do we encourage the minority opinion, the "Right of Appeal", to be heard at our home group, district committee meetings, area assemblies and the Conference?
- What does our group accept as "substantial unanimity"?
- Has our group experienced the "tyranny of the majority" or the "tyranny of the minority"?
- Does our group understand the importance of all points of view being heard before a vote is taken?

#### **Concept VI: The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.**

- Are we familiar with how our General Service Board (G.S.B.) Class A and Class B trustees serve A.A.? Are we familiar with how our other trusted servants serve A.A.?
- Are we clear about the terms, "chief initiative", and "active responsibility"? Can we see a direct link to our home group?

#### **Concept VII: The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness.**

- Do we act responsibly regarding the “power of the purse”?
- Do we realize that the practical and spiritual power of the Conference will nearly always be superior to the legal power of the G.S.B.?

**Concept VIII: The trustees are the principal planners and administrators of overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities.**

- Do we understand the relationship between the two corporate service entities (A.A. World Services, Inc., and the A.A. *Grapevine*) and the General Service Board?
- How can the business term “custodial oversight” apply to the trustees’ relationship to the two corporate service entities?
- Does my home group subscribe to G.S.O.’s bimonthly newsletter *Box 4-5-9? The A.A. Grapevine?* Do I?

**Concept IX: Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees.**

- Do we discuss how we can best strengthen the composition and leadership of our future trusted servants?
- Do we recognize the need for group officers? What are our criteria for election? Do we sometimes give a position to someone “because it would be good for them”?
- Do I set a positive leadership example?

**Concept X: Every service responsibility should be matched by an equal service authority, with the scope of such authority well defined.**

- Do we understand “authority” and “responsibility” as they relate to group conscience decisions by G.S.R.s, D.C.M.s and our area delegates?
- Why is delegation of authority so important in the overall effectiveness of A.A.? Do we use this concept to define the scope of “authority”?

**Concept XI: The trustees should always have the best possible committees, corporate service directors, executives, staffs, and consultants. Composition, qualifications, induction procedures, and rights and duties will always be matters of serious concern.**

- Do we understand how the roles of non-trustee directors and non-trustee appointed committee members help serve and strengthen the committee system?

- How do we encourage our special paid workers to exercise their traditional “Right of Participation”?
- Do we practice rotation in all our service positions?

**Concept XII: The Conference shall observe the spirit of A.A. tradition, taking care that it never becomes the seat of perilous wealth or power, that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and, whenever possible; by substantial unanimity’ that its actions never be personally punitive nor an incitement to public controversy’ that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.**

- How do we guard against becoming a “seat of perilous wealth or power”?
- How do we practice prudent use of our Seventh Tradition contributions and literature revenue?
- Do we insure the spiritual liberties of all A.A. members by not placing any member in the position of absolute authority over others?
- Do we try to reach important decisions by thorough discussion, vote and, where possible, substantial unanimity?
- As guardians of A.A.’s traditions, are we ever justified in being personally punitive?
- Are we careful to avoid public controversy?
- Do we always try to treat each other with mutual respect and love?

1. Does your Group hold regular business meetings?
2. Does your Group require Treasurer's Reports?
3. When giving his (her) report, does your Treasurer provide the balance from the last report, receipts and expenses for the current period and reconcile the balances?
4. When the Treasurer's report is given, does the Group discuss its financial needs and vote on District, Area, General Service Office and Intergroup/ Answering Service contributions?

11. Does your Group refrain from accepting financial support from clubs, outside individuals and outside agencies?
12. Does your Group elect a General Service Representative and give them time to report back to the Group?

If your Group answers "No" to any of the above questions, you may want to refer to the following A.A. publications for clarification of Group finances:

The A.A. *Service Manual*

A.A. Guidelines - Finance

Pamphlets:

Self-Support: Where Money and Spirituality Mix

The A.A. Group

Frequently Asked Questions About A.A. (formerly 44 Questions)

### **DISTRIBUTION OF EXCESS FUNDS**

Once general meeting expenses have been paid and a prudent reserve has been established, your Group may want to consider distributing excess funds as follows:

	<b>w/ Intergroup/</b>	<b>No Intergroup/No Central Office</b>
Intergroup/ Central Office	50%	0%
District	10%	40%
Area Service Committee	10%	30%
General Service Office	30%	30%

The above is only an illustration. The ultimate decision is a matter of Group

Conscience. (from the pamphlet *Self-Support: Where Money and Spirituality Mix*)

## The General Service Representative

The General Service Representative (G.S.R.) has the job of linking his or her group with A.A. as a whole.

**MAIL CONTACT** - The G.S.R. is listed in the G.S.O. Directory as contact for the Group. The G.S.R. receives the G.S.O. bulletin, *Box 459*, to keep the G.S.R. and the Group abreast of A.A. activities all over the world. The G.S.R. is the mail contact for the District and the Area.

**TWELFTH STEP PHONE CONTACT** - Since the G.S.R. is listed in the A.A. Eastern Directory, the G.S.R. may receive Twelfth Step calls. You should be available and easily reached by phone for this purpose.

**SERVICE** - The G.S.R. keeps the District, Area and G.S.O. up-to-date on changes within the Group.

Here are some practical hints on fulfilling your responsibilities:

- Attend your G.S.R. District meetings faithfully. If you can't attend, send your alternate
- Attend the Spring and Fall Assemblies. Come prepared to listen, to participate and to vote when required. The whole A.A. service structure works for you. They cannot do their jobs effectively without your input
- Pick up schedules, *Alki-Lines*, envelopes for G.S.O., Area and District Treasurer, Intergroup/Answering Service contributions and flyers on new meetings, changes and special anniversaries
- Ask for a few minutes at your Group meetings to share the information you bring back. Insist on this!
- Become acquainted with The Twelve Traditions so that you can help your Group have an informed group conscience
- Read *Box 459*, *The A.A. Service Manual*, A.A. Guidelines, G.S.O. service pieces and other A.A. literature. Read the *Area 11 Service Guidelines*, and, if you don't know or don't understand, ASK QUESTIONS!
- Know your Group Service Number. You can get it by asking your D.C.M, District Corresponding Secretary, Area 11 Registrar or by contacting General Service Office, P.O. Box 459, Grand Central Station, New York, NY 10163
- Know your Group's financial priorities: (1) Group needs - rent, coffee, literature, etc.; (2) Intergroup/Telephone Answering Service: (3) Prudent Reserve - at the group level, two or three months' expenses; (4) Divide the remainder among District, Area and G.S.O. There is literature available to guide your Group in the suggested proportions

### **The District Committee Member**

Each District in Area 11 can send up to 6 D.C.M.s (or Alternate D.C.M.s) to be active voting members of the Area 11 Service Committee. Each District is autonomous and can organize themselves as their group consciences wishes. Many Districts organize as follows:

1. Three sub-districts
2. Each sub-district has two D.C.M.s, elected in alternate years for two-year terms
3. One alternate D.C.M. per sub-district serving a one-year term
4. The alternate D.C.M. votes only in the absence of the D.C.M.

A District Committee Member (D.C.M.) is usually an A.A. who has experience as a General Service Representative. The D.C.M. is elected by other G.S.R.s to represent the groups of the District at the Area level.

A D.C.M.s primary responsibility is that of communication. A D.C.M. is responsible to communicate from the District to the Area, from the Area to the District, and to the individual G.S.R.s that the D.C.M. serves. On occasion, a D.C.M. may be called upon to communicate directly with the General Service Office. Due to the level of responsibility the D.C.M. assumes, it is strongly recommended they limit themselves to this position and not serve as Chairperson of any District or Area Service Committee.

### **WHAT ARE THE RESPONSIBILITIES OF A D.C.M.?**

- To assist, when asked, in Group Inventories

- To take a leadership role in fostering awareness of commitment to service, The Twelve Traditions, The Twelve Concepts, contribution priorities, voting procedures, *Box 459*, Conference-approved literature, the *Grapevine* and the Connecticut *Alki-Line*

- To inform G.S.R.s of their responsibilities
- To bring to the Area any unresolved District questions or concerns
- To assist District Officers and Service Committees
- To maintain, with the District Corresponding Secretary/District Registrar, an up-to-date list of G.S.R.s in the District

#### **TO THEMSELVES**

- To fulfill these responsibilities with a willingness that will ensure continued growth in sobriety

### **Area Eleven Service Guidelines**

#### **FORWARD**

*Due to the growth of the Connecticut Area, in which the number of groups has almost doubled between 1980 and 1987, there naturally followed increased needs for Services and number of Service Representatives. This resulted in problems of communication, complexities in procedures and overlapping of duties.*

*In order to clarify these problems of communication, procedures and duties and thus improve services to the groups of our Area, the Guidelines Committee was formed on September 10, 1987 with the purpose of developing Guidelines for the conduct of the business of the Area.*

*The Committee was chaired by the Area Delegate and consisted of five sub-committees. Each sub-committee was chaired by an Area Officer and had a secretary. The remaining membership of each sub-committee was*

comprised of five others who were selected by lottery from the Area Service Directory. Members consisted of Past Delegates, District Committee Members, Service Committee Chairman and District Officers from throughout the Area.

In the months following, each sub-committee met and prepared the proposals to be voted on by the full Guidelines Committee. In February 1988, these proposals were presented to all General Service Representatives, District Committee Members and Service Committee Chairmen for discussion and questions and then revisited at the next Assembly for discussion and vote on May 15, 1988. Due to the lack of substantial unanimity on certain proposals, those proposals were referred back to the Committee for revision. A special Assembly was held August 28, 1988 to complete the voting on the remaining Guidelines.

Having been ratified at the two Assemblies, these Guidelines now provide for the clarification of communication, procedures and duties and thus improve services to the groups of our Area.
