

# District 7 – Redistricting Committee

Looking forward to new horizons!!!

# District 7 – Redistricting Options Agenda

- Our Process
- Our Starting Point & Our Mission
- Review of Ideals
- District Breakout Options Review – 1, 2, & 3
- Our Recommendation – District Breakout Option
- Financials & Literature Breakdown
- Our Recommendation – Financials & Literature
- Q&A

# Our Process

- Redistricting Process Experience – invited others to share their experience
- Studied the AA Service Manual, focusing on the District, DCM, and GSR, as well as the Redistricting information
- Determined our exact starting point & our mission
- Spent ample time discussing the ideal district, as outlined in the AA Service Manual
- Began the options process by figuring out the group break out for the ideal option
- Reviewed possible other two options and finalized as well

# Our Starting Point & Our Mission

- Our Starting Point:
  - 141 Groups across 16 cities/towns
  - Includes 3 Online only groups without a registered physical address
- Our Mission:
  - To present options for redistricting of District 7 which will foster active participation of Groups, and improve communication between Groups, District and Area Committees, thus helping achieve A.A.'s primary purpose.

# The Ideals – Our Reasoning

- Group Numbers – 10-15
  - Manageable number of groups for DCMs to stay in communication with their GSRs
  - Allows for improved interaction between GSRs
  - Leaves room to grow
  - Visited many districts of various sizes and determined that 10-15 was ideal
- Geographical Size
  - Found 15-20 minute drive time was ideal
  - Allows for GSRs to easily access District meeting
  - Allows for DCMs to easily visit groups

# Option 1 – 10 New Districts

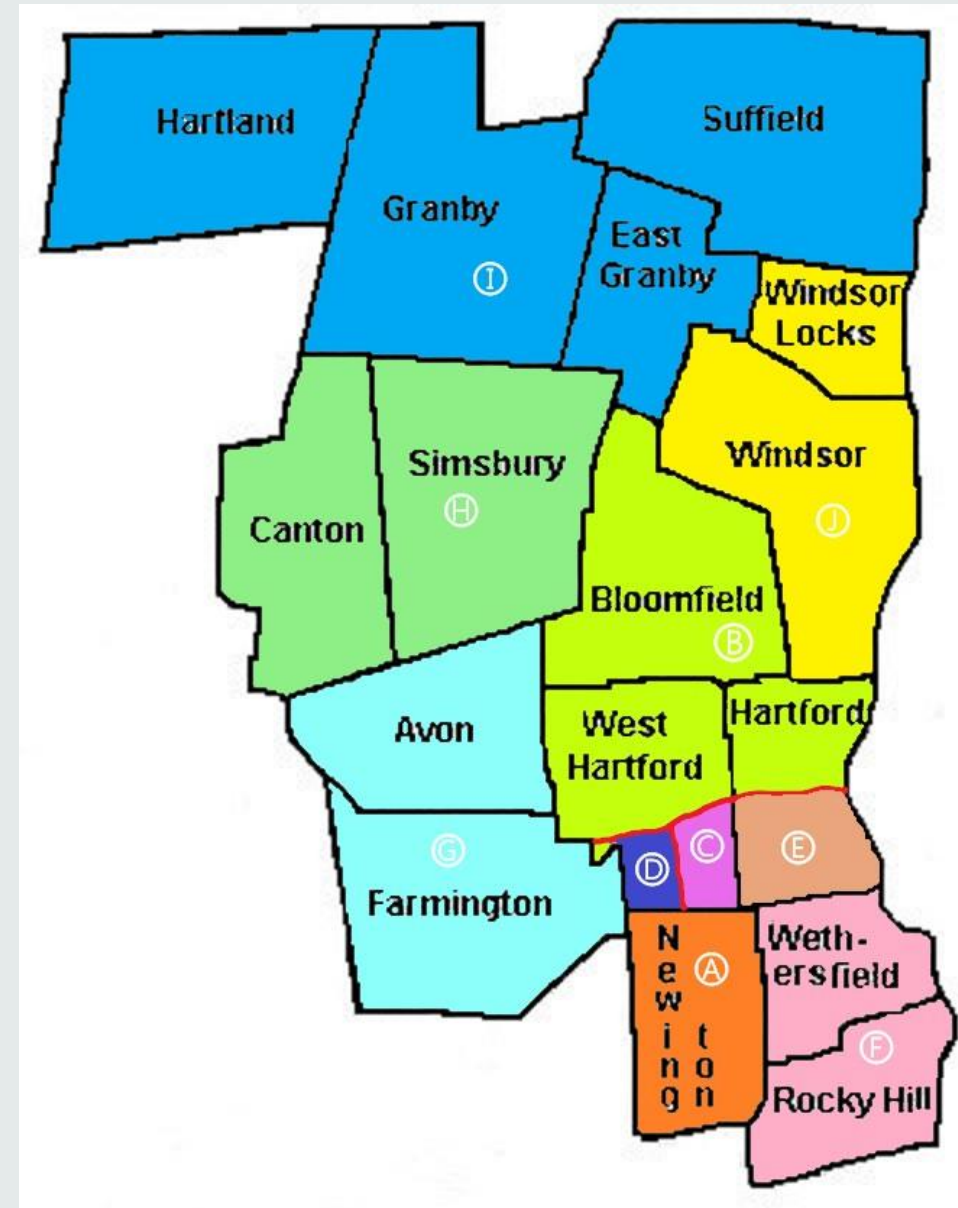

- New A: Newington (7), W Hartford (6)
- New B: Bloomfield (2), Hartford (6), W Hartford (7)
- New C: W Hartford (16)
- New D: W Hartford (10)
- New E: Hartford (12)
- New F: Rocky Hill (4), Wethersfield (14)
- New G: Avon (9), Farmington (6)
- New H: Canton (5), Simsbury (7)
- New I: E Granby (2), Granby (4), Hartland (1), Suffield (5)
- New J: Windsor (14), Windsor Locks (1)
- Online Only Groups (3) – TBD

District	Group Count
New A	13
New B	15
New C	16
New D	10
New E	12
New F	18
New G	15
New H	12
New I	12
New J	15

# Option 1 - Map

Boundaries for split towns:

- District A – All of Newington & a portion of West Hartford with the zip of 06110
- District B – All of Bloomfield, Hartford (west end) with the zip code of 06105, and West Hartford with zip code 06117
- District C – portion of West Hartford with a dividing line at South Main St. Goes east of S. Main with north border of Fern St. and South border of New Britain Ave.
- District D – portion of West Hartford with diving line at South Main St. Goes west of South Main with north border of Fern St. and south border of Ridgewood to Farmington line
- District E – Hartford groups with a zip code of 06106; South of Capitol Ave.

# Option 1 – Design Considerations

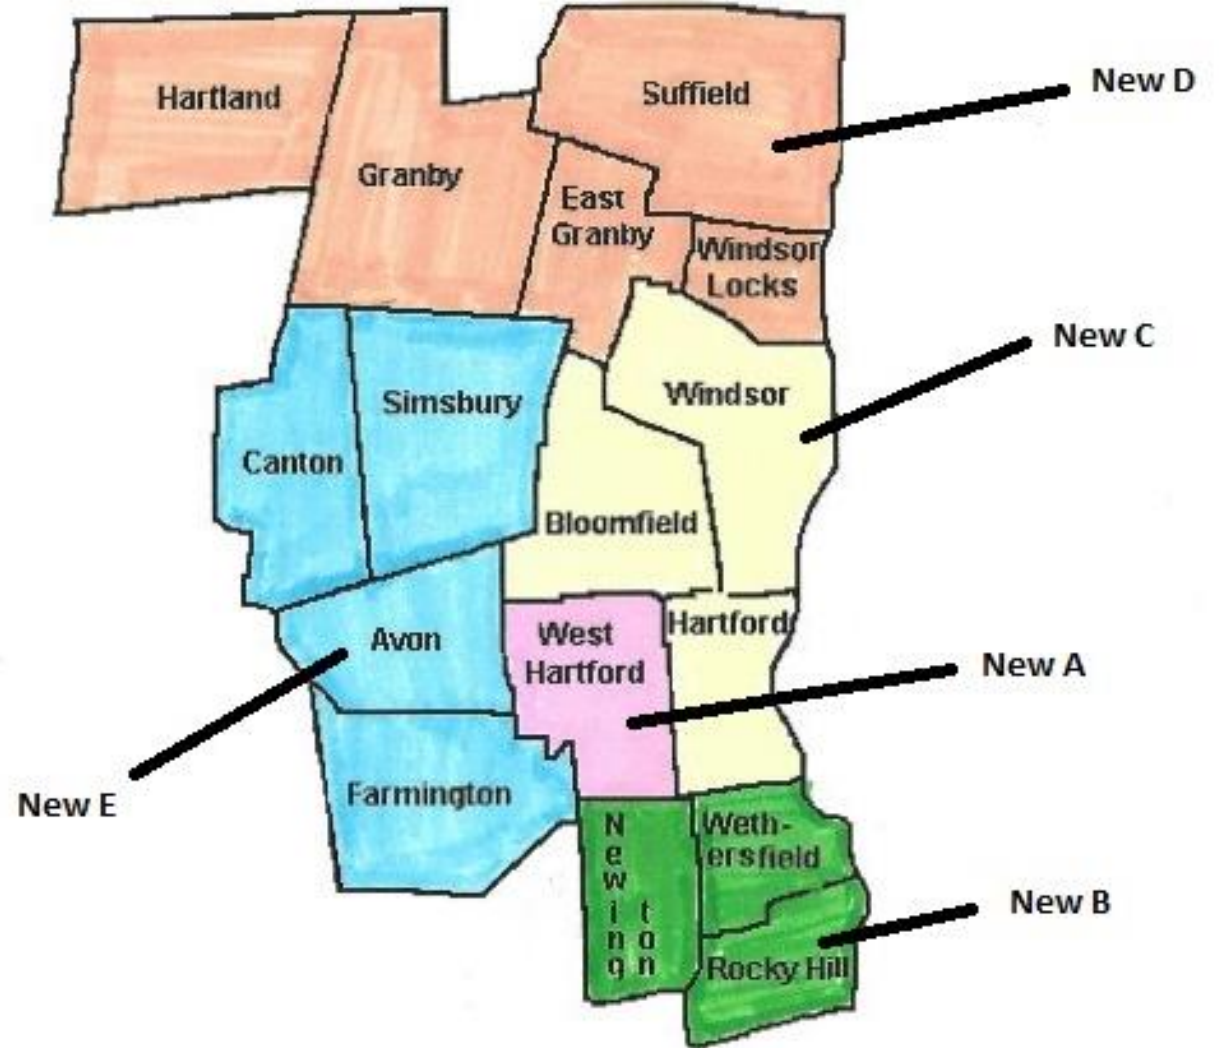

- Pros:
  - Optimal Group Count (10-15)
  - Geographically sized for better communication (easy drive times, local feeling)
  - Plenty of room for growth, which is to be expected
- Cons:
  - Will take time to get accustomed to new structure

## Option 2

- Creates 5 new Districts
  - New A: West Hartford (38)
  - New B: Newington (7), Rocky Hill (4), Wethersfield (14)
  - New C: Bloomfield (2), Hartford (18), Windsor (14)
  - New D: E Granby (2), Granby (4), Hartland (1), Suffield (5), Windsor Locks (1)
  - New E: Avon (9), Canton (5), Farmington (7), Simsbury (7)
- Online Groups (3) – TBD

District	Group Count
New A	38
New B	25
New C	34
New D	13
New E	28

## Option 2 - Map

## Option 2 – Design Considerations

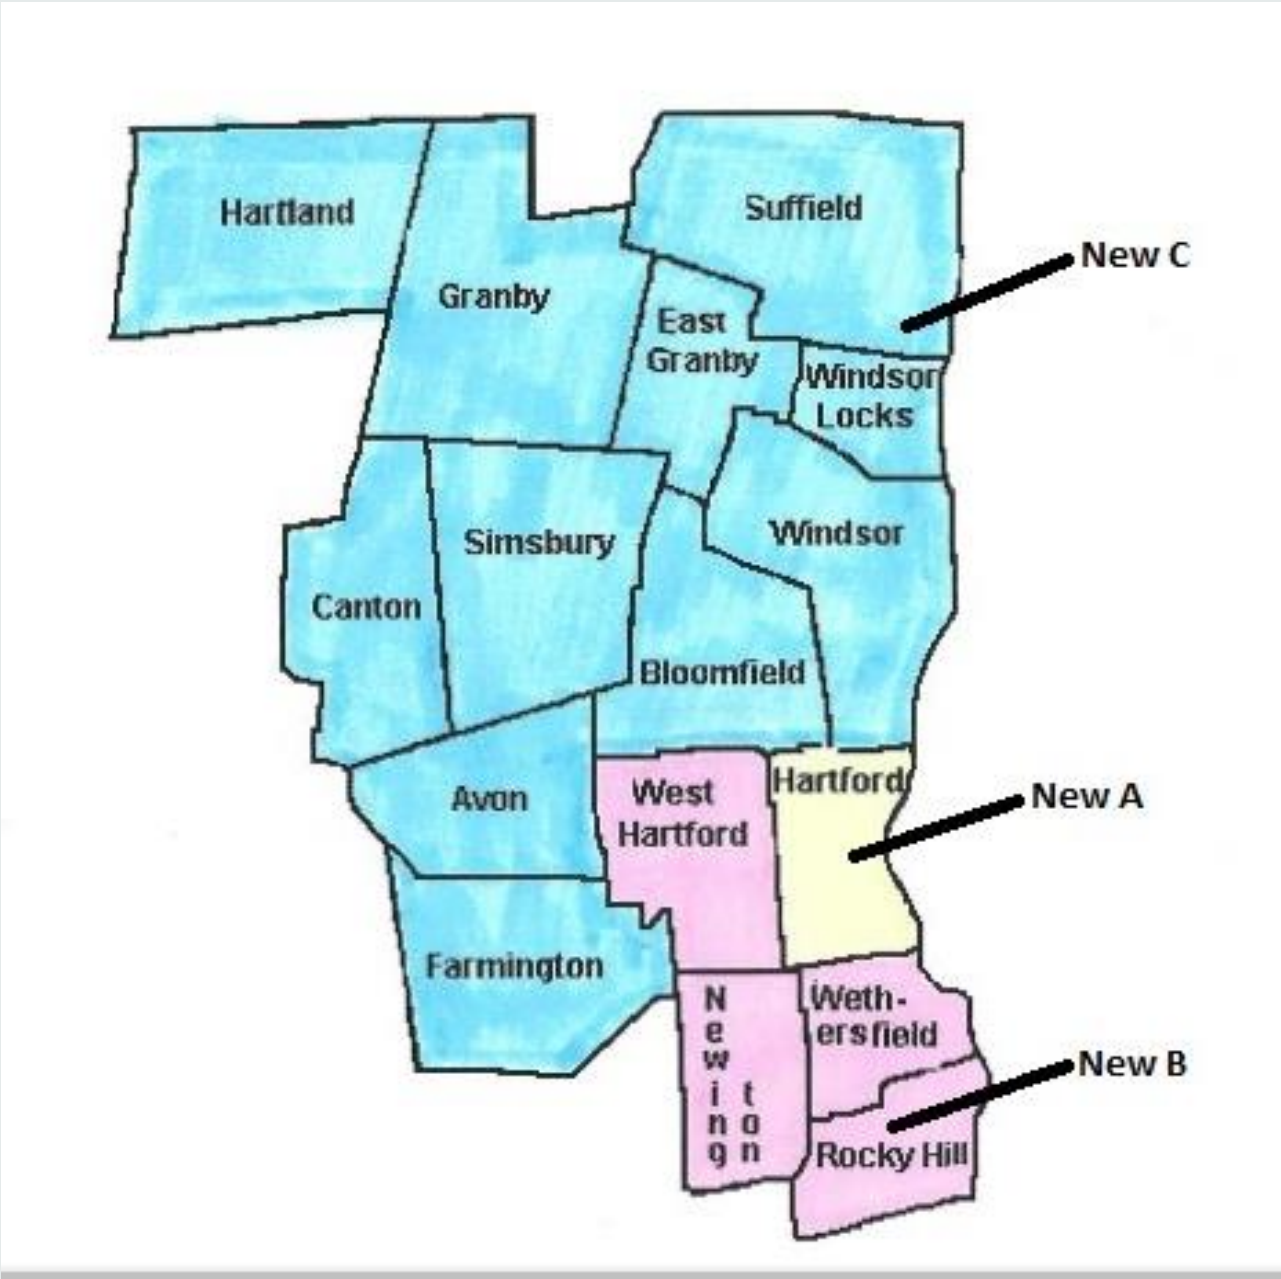

- Pros:
  - Very simple map, clusters of towns
- Cons:
  - Large group counts, well above ideal number
  - No room for growth
  - Some districts may need to redistrict again soon
  - Some new districts still too large geographically

## Option 3

- New A: Hartford (18)
- New B: Newington (7), Rocky Hill (4), West Hartford (38), Wethersfield (14)
- New C: Avon (9), Bloomfield (2), Canton (5), E Granby (2), Farmington (7), Granby (4), Hartland (1), Simsbury (7), Suffield (5), Windsor (14), Windsor Locks (1)
- Online Groups (3) – TBD

District	Group Count
New A	18
New B	63
New C	57

# Option 3 - Map

# Option 3 – Design Considerations

- Pros:
  - While not ideally sized, still allows for smaller district meetings than existing
- Cons:
  - New District C is still too large geographically
  - All 3 new districts would have far more than the ideal number of groups (10-15)
  - Does not address the root problems that caused the need for redistricting

# What are our issues?

---

Items that came up in our recent Inventory:

- Problems with communication between GSRs and DCMs
- Geographic area too large to be serviced adequately
- Too many groups for each DCM to cover
- Lack of participation/GSRs not sharing
- GSRs feel spoken to, as opposed to being a part of
- Structure not aligning with the Service Manual
- Not enough information on why being involved matters
- Some people feel that the District is unwelcoming & cliquey

Our Problems –  
from original  
presentation

# Our Recommendation

The Redistricting Committee strongly recommends Option 1 for the following reasons:

- Allows for better communication between GSRs and DCMs
- Geographic area “right-sized” as stated in the Service Manual to be serviced adequately
- Smaller number of groups for each DCM to service
- GSRs will be more included and involved
- Improves communication between the Groups, the District and the Area Assembly
- Provides opportunity for stronger connection between groups in each newly formed district
- Allows for room to grow, including the online meetings that have not been placed

# Financials & Inventory

- Audio-Visual Equipment for Hybrid
- 6 Laptops – Hybrid meeting laptops (4), Secretary (1), Registrar (1)
- Printer
- Money in bank account
- Books from Literature Chair

# Our Recommendation

In the interest of protecting AA unity, and keeping to our primary purpose, **this committee recommends that all District 7 assets be liquidated and divided evenly** for equal distribution to the newly formed districts, however many there may be.

We believe this is the simplest, humblest and most unified approach, and best protects our newly formed districts from divisive problems of money and property that could potentially divert them from their primary purpose.

Any Clarifying  
Questions?

**ADDENDUM**

# Option 1 – Group Lists

## District A

Group Name	City	Meeting Location
Drop The Rock Group	Newington	Grace Episcopal Church
Fourth Dimension Group	Newington	Newington Doyle Senior Cntr
