Proposed Agenda Items for the 74th General Service Conference

There was a total of 117 Proposed Agenda Items submitted for consideration for inclusion on the agenda for the 74th General Service Conference. To see the full list, please click [here](#).

When reviewing these items, it is important to keep a few things in mind:

- This list contains a summary of each item and may not capture the full context of the item submitted.
- The full content of the PAI is not distributed at this point in the process due to the large number of resources required

to translate and remove identifiers from all of the PAI submissions.

- These PAIs will be reviewed by the Trustees' Committees, who may forward them to a Conference committee, keep them at the Board level for additional background and consideration, or route them to the AAWS or Grapevine Boards.
- The final list of Conference committee agenda items will not be available until early February following the next Board Weekend.

73rd G.S.C. Activity

Report and Charter: The Conference Committee on Report and Charter met with the chairperson of the Trustees' Committee on the General Service Conference prior to October Board weekend to discuss proposed agenda items that could potentially be forwarded to the committee. We gave initial thoughts and requests for potential pathways for the items to the Trustees' Committee. As the Chair of the Committee, I will be meeting with her again in follow up and passing along updates to my fellow members.

Conference Activities: As per an Advisory Action passed at the 73rd GSC, the entire Conference body will be meeting for a second time on November 15 for a sharing session. The agenda will be set jointly by the Interim Chair of the General Service Board and the Delegate Chair for the 74th GSC. Based on feedback from our last sharing session, this one will allow for more questions and discussion from the Delegates, rather than presented reports from the members of the 3 Boards.
