

Answering Service 12th Step Volunteer Sign Up Sheet

The Answering Service is one of the ways people needing help with their drinking find A.A. As a volunteer you would be talking to people who need help to stop drinking. You share your experience, strength, and hope, and maybe a ride if you feel comfortable. If you have questions about the time commitment involved or any other concerns, please speak with your GSR or email the Answering Service Committee Chair at answeringservice@ct-aa.org. Once you have signed up, **create a contact for A.A. Answering Service with 800-374-5098 as the number**. This will identify when the answering service is calling so that you can help someone in need and don't think it's a SPAM call.
